

30 JUNE 1976

MEMORANDUM FOR: CHIEF, SECURITY ANALYSIS GROUP

FROM : Chief, Security Records Division

SUBJECT : Purging of "Dissident" Materials

1. The Security Records Division is participating in the requirement to purge Security Records of information on "dissidents".

2. We are attempting to develop criteria for determining whether specific Security dossiers should be retained (for legitimate security or counter-intelligence purposes) or purged (because retention is illegal under the Privacy Act or contrary to the intent of EO 11905).

3. Forwarded herewith is the Security file on KING, Martin L., SFN 353062, which has been selected as a file which should be considered for total purging, along with all index records leading to the file.

4. Please examine the contents of the file. If you agree that it should be purged, please sign below.

5. If you believe that the file should be retained, please so state and explain the justification(s) for retention by separate memorandum.

6. Your assistance in this matter will help in the development of criteria which is essential in the selection of files which should be purged.

Robert G. Sparling
for Thomas L. Cole
Chief,
Security Records Division

The file should be totally purged
