Neighborhoods were verified and favorable and local police and credit checks were negative or non-derogatory.

4. RI, K and Office of Security Indices checks were no record or non-derogatory. National Agency Checks were negative with the exception of State/Passport which disclosed that Subject was issued passport (#Z-833647) on 12 June 1968 in Mexico, purpose and place of travel not stated. Subject's permanent residence at that time was given as (Calle Halle #35), Mexico 5, D.F., Mexico, with his parents. It is not felt that the Mexican citizenship of his brother-in-law poses a security risk, and, accordingly, it is recommended that:
