1. (Confidential - RSG) LIAISON Kenneth Klein, House Select Committee on Assassinations staff, visited C&R Staff to review the (Ortiz Ramirez) file.

2. (Confidential - DFM) LIAISON Mike Epstein, Senate Select Committee on Intelligence staff, called to request that we notify Larry Devlin, former Agency employee now living in the Congo, that the House Select Committee on Assassinations had requested to review his testimony before the Church Committee.

3. (Confidential - DFM) LIAISON Received a call from Tom Moore, Senate Select Committee on Intelligence staff, who asked me questions regarding the cables delivered on 3 February relating to the State/CIA agreement on the role of the Ambassador. Moore asked me for the releasing and authorizing level of the cables, and about part of one of the cables which had been deleted from the copy provided the Committee. I told Moore that the DCI had approved the first two cables, had initialed one of the other two and we were confident that he was well aware of the fourth cable. The section deleted was merely administrative instructions.

4. (Unclassified - DFM) LIAISON Called Bernard Fortman, printer, Senate Select Committee on Intelligence, to request an additional page of the transcript of Mr. Frank Carlucci's confirmation hearing. Fortman said he would send it as soon as possible. It had been inadvertently left out of the copy previously provided us.

5. (Secret - DFM) LIAISON Received a call from Dave Bushong, Senate Select Committee on Intelligence staff, on the secure phone about his investigation of narcotics trafficking by senior (Panamanian) government officials. Bushong asked me to provide another copy of a cable previously provided the Committee which could not be read in its entirety. He also asked me for the references on this cable.
