1. [REF ID: A3090] said Subj's face was familiar to him; when given the name source said there was a Lt. Col. GOLUB in the MVD (now KGB). Source did not know which directorate he was in - might be technical section - but knew that he was a "fairly high desk." Source could not recall whether he had ever seen Subj so does not know if this is the same person.

1. Subj called on [REDACTED] and asked that [REDACTED] warn him in adv. of any day official were about to be posted from Finland & he would personally see to it that the man left quietly & immediately. Subj stated in similar manner, "Since when does a little [REDACTED] want a rank of [REDACTED] or greater? At he is as powerful as to remove official from his own country from Finland if you are really that powerful, we are worried. & what are your final orders here in Finland?" [Subj started--did not finish the question.] [Sgt. comment: Subj's question interesting in view RENOVATING oper. Trying to determine date of chat.]

1. Source invited to give lectures on math in USSR. Soon after receiving the invitation, he and wife were in bay of Helsinki restaurants when Subj and Frau RAISKE, a Finn Commissar, came up to his table and introduced themselves. Subj mentioned source's imminent trip to USSR. Subj told source to come to Sov Emb next day to meet the Cultural Attaché, who could arrange to get source to USSR and back without cost. Source invited Subj and RAISKE to his home for dinner following survey. Subj accepted. Subj paid entire bill. When source went to Sov Emb next day met Yuri VORONIN and Subj, also SERGEYEV. V. invited himself to dinner with Subj at source's home. Subj, VORONIN and wives went to source's for dinner, bearing many presents. RAISKE did not come. Subj told source "this RAISKE is a swine." Felt that it necessary to see those Finn Commissars politically but that they cannot be trusted.

22 [REDACTED] (P) In mid-December, [REDACTED] told [REDACTED] the following which [REDACTED] passed to [REDACTED]. OCLIB had recently complained to Johannes VIRCIAKKA that the Fins security police were not paying any attn to cases of British & American espionage in Finland, adding that the Soviets had info relating Western espionage in Finland and would be glad to furnish it to the security police. OCLIB said some of the western cases were old & some new. Did not elaborate. Source did not say what VIRCIAKKA's reply was to OCLIB.

22 [REDACTED] (P) [REDACTED] then said it would behoove HIS officers in Helsinki to be as careful as possible cause it quite possible security police would receive orders to keep their eyes sharply peeled for cases involving Finnish citizens. Pendleton briefed all senior CIAHQ people. ODUNIT man said he had read a warning a few days earlier from a friendly Finnish officer that another ODUNIT officer had been seen too frequently driving a Volkswagen w/dipl plates around freight yards of Helsinki. (This was ODUNIT's energetic factory & freight car marking program.) The ODUNIT man said his family had noticed Finnish policemen on the beat outside his house but recently began to go to phone booth & make a call every time the senior CIAHQ man left his house and drove towards town. Everyone took warning seriously. [REDACTED] to tell us any further developments.

He was [REDACTED] told Vicent that Sub had visited the HQs of the Interpol re Germany re having contacts with [REDACTED]. [V] was told it had no connection with him; still a free com people had right to talk with any one they pleased. Int asked him exactly what he was a driver. Sub was elusive & gave a vague answer but gave no hint as to what group the Soviets were about. Sub of Int told [V] that his govt had communists to name he should make time thru pr own estimation if he thought there were any deeper to those Sov goals. [V] replied that expect the Soviets to do anything more than dr conventional hints.

21 Jun 58 Sub called [Vicent] & invited him during the last Sub, for some reason, wanted to talk with [V] that he manages to keep informed of certain even though [V] doesn't help him. For example,

Believes that General VAIKONIUS and Antti KUJALA are in Raasparanta. He has photos documents & knows that an American interrogates these men in Raasparanta. An American Captain (G. did not remember name) said, while he was drunk, that the detective W. STEPHENS is his friend and does the job of keeping track of Soviets. He knew that there was a lot of Scandinavian Security chiefs in Hels. in Nov & Dec 1957 (Sweden) - JENSEN (Denmark) & the last chief attended. [V] said this was the American military has 15 persons working for them in Hels although only 7 appear in the Corps Dicussions.

Col. Bjork, the Amer. MIL Att., is the man who calls the shots for Amer espionage. At one point in the talk [V] said he took G. to task for having interests in w/a diplomat's job. G. protested that his interests were purely diplomatic & normal consular duties.

At 22 [REDACTED] said he would return to the Embassy for Vicent probably 1st or 2nd week of July to the 2nd for Vicent (approximately in 1958) on the 25th of June. [V] is to meet me after we left him, that is, at 1:00 P.M. In regards to [V] that he ask SIS about the connections in Hungary if concealed), but [V] said that the question is a little bit delicate for SIS to be asked - otherwise he asked if he said could be gone, he could be off to the U.S. but he could not find out. In reference to your additional on the U.S. re-related and answered that he had no idea but does not know if he was present, just go off on top of a boat or something.

Subject, Soviet Consul who visited Hels. (VALIKH) reported this individual
Consular Corps, which had previously had no Soviet-Soviet diplomatic representation,
in the fall of 1957. Since the Consular Corps is not "representative" of a
"Western" body, the Consul has no valid reason to render his entry. It is
not as is known, no other Soviet-Soviet diplomatic representative has followed
him into the Corps.

Costille, KUBARK, attended a Consular Corps luncheon on 10 Dec 58—during
luncheon C was introduced as new Vice-Counsel from U.S.—after lunch COLIB came
directly up to Costille, introduced himself and asked C. to join him at his
table for coffee and cognac. Subj was extremely friendly and proceeded to ask
the usual PIGI type questions, such as Costille's home in States, how long he'd
been in Finl, did he have a dipl title, etc. Subj mentioned that his wife was
in the Sov Union and that he was living alone in his apt. Subj speaks no English
so Finnish was used.
(Hqs comment: A photo name is w/this dispatch—Costille, COLIB and 6 others.

On 4 May Subj phoned Costille (KUBARK) for lunch that day. Most of the time we
spent on polite conversation and no political topics were discussed. Subj asked
C. about his home and family in the States and his vacation plans. Subj mentioed
that he was not going to be able to take a vacation this summer as he had hoped
When C. asked him why, he gave the reason that the Amb, whom Subj described as
still being nov and not quite sure of himself yet, had told him he wanted him
to remain in Hels as he was the only person of officer rank in the Consular
Section. (Comment: Maybe it's cause KHRUSHCHEV is coming to Hels this summer.
Not once during the lunch did the subject mentioned in refs (C's trip to USSR
and treatment accorded him) come up. (For any further comments see Finl chrono)

Recently Subj has been making efforts to invite younger members of the
Western embassies to lunch or to view Soviet movies playing at local movie
houses. Subj invited Howard B. Singleton (Canadian), Aydin Yegun (Turk)

Costille was just interrupted by a phone call from Subj inviting him to
lunch. [AP/5]

COLIB asked for info on COLIB & N. MAKAYEV, saying that both Soviet officials
have been in social contact w/mbrs of the [SPASL] Legation in Hels. This contact
initiated by COLIB was allegedly to inquire about [SPASL] immigration procedure.
MAKAYEV acted as O's interpreter throughout the mtg. [SPASL] has a trace in the
files referring to COLIB as Soviet Intell Officer acting as liaison man w/the
Finnish Security Police.

- 22 [] 200 Coetille (COLUB) said that 61% of Finns speak English as a second language and that he wanted to know no better. However, when I was having difficulty w/Finnish, COLUB was able to put those English words into Finnish.
- 22 [] 1900 Subj told Coetille (COLUB) that he had been in Finl now for about four years and that he had been enjoying himself very much and liked Finl and the Finns. He said that he was glad that he did not speak English as he would then probably be sent to England or the U.S., which in his opinion were too far from his home in the Soviet Union. Needs to find this male travel home, as well as phone calls, too expensive. When Coetille asked him where he would like to be sent next, he answered Moscow. He stated that over three years was too long to be away from one's country.
- 22 [] 1911 [] 200 Source: [] Finn official in Ministry of Interior. On 26 March COLUB, Sov Consul in Helsinki, said KERKKEV planning my unofficial visit to Finl at end his Scandinavian trip in late August. COLUB hoped there would be no Soviet spy cases made public to badoud visit. (Source comment: Two such cases presently under preparation by [] Finn Central Criminal Police) 229
- 22 [] 4218 Station submitted two forms dealing w/visas in Switzerland and citizenship which had been given to the Sov. Consulate by COLUB. (Info comment: The forms evidently went to SR from RI - they did not come into T-1/C)
- 22 [] 4237 On 1 Dec Source said that COLUB had told [] that a western agent, who crossed the Finnish-Soviet border near Imatra on 13 May 1959 had been arrested and was being held by the Soviets. COLUB did not reveal the name of the agent, but said that he had been trained in Austria. To the station's knowledge, there have been no 3-1000 missions run via Finland by the KGB since 1953. Does Hns know of any 3-1000 agents who disappeared in May? Or is COLUB making up the story? (In 35 Division for answer) 01
- 22 [] 4246 11 Dec 59 D1 [] 200 A sequel to info given in [] 4237, above. On 9 December COLUB has [] 200 called Goodine (T-1/C) at 10:30 am and said that he would like to see his on an urgent matter - met him half an hour later, and he related the following. COLUB had reported to [] that a western agent had been arrested in the Sov Union near Imatra, but on the Sov side of the border. [] had said that the agent had been recruited in Switzerland and dispatched across the border on 19 May of 1959. The agent had come to Helsinki on 27 May and had been met by a man described as between 35 and 40 yrs old, about 160 cm. tall; the man's skin pipe, spoke good English and understood Finnish. This man had driven the agent to Imatra border in a Ford 4-door, bearing license plate F-142. [] 200 investigated and found that the car was owned by [] (uninitialled) of [] FMS 311 time and brought therefore that [] might be involved. He urged to warn us, so called Goodine. Goodine checked our 3 military attaches' office wire records and then went to [] to find out if he had ever leased his car for any such trips or was somehow involved indirectly. Negative answer. Goodine thinks the whole story is provocation, concocted by the Soviets and set afoot thru COLUB to serve as a counter-balance to recent revelations of Sov espionage in Finl. (See 35 Agent Books for 11 Dec 59 (etc).) Goodine goes on to say that it is interesting that the Communist newspaper Helsingin Sanomat carried an editorial on the 11th of Dec accusing the Security Police of the investigating cases of espionage anywhere. 01
- 22 [] 4253 Infinito 22 [] 4253 COLUB informed [] that he was now and surprised the last few months about 6 months. [] 200 said that the relationship to [] is the same as it was before [] left and COLUB was glad to have [] back. The wife is no longer teaching at [] and is now COLUB.
- 22 [] 4253 T-1/C dismisses refers to relations b/w [] between COLUB, [] and [] (T-1/C) V. [] (T-1/C) [] (T-1/C) and it is not clear what [] means by this. 01

22 May 59

On 21 May [REDACTED] was informed by COLIB that he (O.) had been summoned to Leningrad for a mtg w/a repn of the Soviet Internal Security Police (presumably MVD). While there, COLIB had been instructed to determine what security precaution the Police of Sweden, Norway and Denmark plan to take to insure the safety of KRUSHCHEV during his August visit to the Scand countries. During the conversation, O. was very critical of his Soviet colleagues in Stockholm, Oslo and Copenhagen, for their failure to develop closer relations w/repns of the Security Police of those countries. O. was worried not only about his own inability to develop the info requested, but also for the safety of K. during this trip. O. did not know for sure whether K. would visit Finland on this trip, but believed that if he did, it would occur after the visit to the other 3 countries, and that any visit to Finl would be purely unofficial.
