

DISPATCH

Chief, Western Hemisphere Division

Photograph Identifications

Action Required: None; for your information.

Source was unable to identify photographs of Juan Francisco BEL-5 Valquez, Consuelo Angelica VALLEJO de Mendez and Gerardo Antonio PARRALES BARRA.

2. Source recognized a photograph of Silvano LORA Sicente and believes that this individual arrived in [redacted] with a group of some fifteen Dominicans. The Source saw this group while in training school, and the best recollection was that LORA was still in [redacted] when ANTD/1 left (April 1964) because documentation for onward travel had not been prepared.

3. ANTD/1 also recognized a photograph of Jose CASIS Laguarda but does not recall seeing pertinent data concerning him. Source does believe that he knows this individual as a Cuban rather than a Dominican, although the latter is not excluded. Source commented that if he is a Dominican, he would have been in [redacted] after August 1961, because it was at that time that Source began working for the [redacted] Intelligence Service.
