MEMORANDUM FOR THE RECORD

SUBJECT: Edward G. TICHBORN - Cover Company Listing of Operational/Travel Costs

1. On 22 June 1967, WH/6 received an informal listing from TICHBORN (first requested in April 1966) which was made by the [redacted] accountant (unwitting) of TICHBORN's expenses for travel and entertainment during the period 1 October 1966 - 31 March 1967. These expenses were incurred by TICHBORN in (1) developing his cover by cover company-directed travel; (2) actual Agency-directed travel and entertainment; and (3) travel and expenses for the primary benefit of the cover company.

2. WH/6 had earlier submitted Travel Orders on all foreign travel with the exception of the October 1966 trip to Central America/Mexico. Following is a listing of the travel involved (largely domestic) chargeable to the Agency:

(8) 8 May 1967 - Headquarters final consultation on PRI study.

(9) 21-22 June 1967 - Headquarters consultation/briefing on trip to Spain and on finances.

3. The above travel expenses were incurred by TICHBORN pursuant to instructions from WHD. When the exact accountings are received from travel orders can be written covering these expenses.

MEMORANDUM FOR: Chief, DO

SUBJECT : Operational Survey in Spain by Edward G. TICHBORN (P)

1. After considerable coordination, agreement was finally secured from EUR Division and COS/Madrid for Edward G. Tichborn (P) to undertake an operational survey in Spain. Chief and Deputy Chief EUR/IB plus the undersigned had a preliminary meeting with Tichborn on 20 June 1967. Background reading was provided him preparatory to a detailed briefing. The latter was effected by DC/IB and the undersigned on 21 June 1967.

2. Tichborn's mission is to identify operational targets, primarily in the business community but not excluding those in the military establishment, the Government, and the church, including Opus Dei. Identification is desired of elements, particularly in the business community, which have political influence now and which could be more important after Franco's death. After identifying such elements, Tichborn is to seek ways and means of access to them. He will, of course, pay particular attention to the local Spanish partners of [redacted] in terms of their political activities and their contacts with key officials. He will assess [redacted] and in the event of a favorable assessment, explain in detail how it could be exploited. He will assess one of [redacted] local partners whose [redacted]

3. Tichborn is leaving New York on 24 June 1967 and will arrive in Madrid on the morning of 25 June 1967. He has been given the telephone number and address of DCCS/Madrid, Mr. Osborne Day, who will be his contact. Tichborn, upon arrival, will telephone Mr. Day. The latter has been alerted by WOFAC cable of Tichborn's arrival. WUBRINY/1 will meet Tichborn in Madrid on 28 June and make appropriate introductions.

4. It is anticipated that Tichborn will spend about a month in Madrid or as long as it is commercially plausible and operationally necessary to fulfill his mission. Necessary commercial groundwork

has been laid. Tichborn recently met one of the Spanish partners in New York who was on a short visit to the U. S. They agreed that when Tichborn visited Spain, they would jointly work on a prospectus that could be used to increase business for [redacted]

5. It is estimated that Tichborn's trip will cost about \$2,500.00. Approval is requested to obligate \$2,500.00 of FY 67 OOA or D&TO funds for this purpose.

2. Description of Activity:

UOACE is a WIA area-wide support project which provides funds to cover salary, travel and miscellaneous operational costs of William C. Tichborn (P), contract agent and political action asset. Tichborn has been used primarily as an advisor in CIA-connected election operations throughout Latin America. From 1961 to August 1966 he served the Mexico City station in the development of a cultural magazine El Mundo and carried out spot assignments in other WIA areas. In August 1966, he was assigned FOU to New York City and (as of October 1966) placed under cover as Latin American informant in the DO proprietary, [redacted] (WUBRINY Project). In the past year, he served briefly as advisor to a Santa Domingo Station asset (LANTHUMAL-4) and in an unsuccessful attempt to conduct an in-depth study of the FRI Party in Mexico. The present UOACE extension and termination request coincides with EOD assumption of Tichborn's support costs under Project WUBRINY as of 1 October 1967.

3. Funding:

Since October 1966, UOACE funds have been passed to Tichborn under cover of the [redacted] (Project WUBRINY).

4. Interagency Coordination and Approval:

U.S. Ambassadors in countries where Tichborn's services are utilized in special operations are briefed as appropriate and necessary regarding his assignment. No State coordination or 303 Committee action.

EVALUATORY COMMENT:

1. Although Tichborn's services have not been fully utilized in the past, and primarily to the lack of continuing, regular requirements in the WHI area for his special capabilities, there continues to be a need for an agent of his wide experience and talents in the political action field, particularly as ad hoc advisor and monitor in priority election operations.
2. The transfer of Tichborn from an exclusive WHI status under UOACE to a wider-ranging assignment under WUEBRINY makes him available for DDG-wide use. Because of language and background experience, he will continue to be used primarily in Spanish language (primarily WHI) areas, but his employment status should also enable him to gradually expand his usefulness to other areas as well.
3. Recommend approval.

REQUEST FOR FY 1968 PROJECT EXTENSION

AND TERMINATION -- UOACE

1. Total Funds Requested. \$5,500
2. Amount in which Project was included in the Operational Program for FY 1968. \$28,250

3. Current Objectives. To support Contract Agent Edward G. TICHBORN (P) who is used as a covert action advisor and political action agent by WHD. In addition TICHBORN is available for election campaign research, special political surveys on selected countries and allied research requirements which can utilize his political expertise and area knowledge.

4. Background. In 1959 TICHBORN, a bilingual Harvard-trained lawyer with political experience, was hired as a political action advisor for Agency-sponsored election operations throughout Latin America. He has participated in political operations in Cuba, El Salvador, Guatemala, Chile, Argentina and the Dominican Republic. Based in Mexico City from 1961 until 1963, he was primarily a Headquarters asset but also assisted the Mexico City Station in its CA program. In August 1963 he was assigned PCS to New York City where he has been employed for cover purposes since October 1963 by the DO proprietary WUSALINE.

5. Effectiveness. During the period 1 October 1966 -- 30 June 1967, WHD has had an opportunity to use TICHBORN in his primary role of political action advisor on only one occasion. In February TICHBORN was sent to Puerto Rico to conduct a political action briefing of a Station Santo Domingo asset, TIMANTHEM-4, which task he performed effectively. In order to maximize the benefits of his availability, he was assigned the continuing task of monitoring the Dominican Republic press and analyzing media reactions towards Balaguer and opposition elements. Several detailed summaries were submitted to the Dominican desk. A major effort was made to develop an in-depth study of the PRI party in Mexico. After a number of meetings with Headquarters and

Mexico City Station officers and early enthusiasm on the part of TICHEORN's PRI contacts, these contacts became reluctant to delve into sensitive PRI areas or to introduce TICHEORN to other contacts with inside access. In May Headquarters, the Station, and TICHEORN all agreed that the effort should be dropped.

6. Cover and Security.

a. Cover. TICHEORN has done an excellent job of building his cover with WUSALINE. His area knowledge and language ability have proven of real help to the cover company, and he has shown himself unusually well suited to the needs of that company. The cover company demands on his time, both on-the-job and for foreign and domestic travel, have not interfered with his operational utilization.

b. Security. While in Mexico, TICHEORN acted as an unofficial legal advisor for the Center of Studies and Documentation which was mentioned in the MIDOWEL flap as being funded by a CIA conduit. However, there was no publicity in Mexico which linked him with the Center. Similarly there was apparently no public exposure of the funding of the intellectual magazine with which he was connected, "Dialogos", by other CIA conduits. There is no available evidence that his security has been compromised by the MIDOWEL flap.

7. Termination and Extension.

a. While TICHEORN has been available for assignments calling for his abilities as a political action advisor, the Division has not had the requirements for such activities which were anticipated. The continuing use of TICHEORN for CIA tasks of lesser priority, together with the time and travel demands of his new cover business, have kept him well occupied during the period. However, in view of the future anticipated lack of demand for TICHEORN's services on a frequent basis, and the comparatively high cost in administrative, financial, and WH case officer time required, it is felt that the project should be terminated, effective 30 September 1967.

b. As indicated in the section above on "Cover and Security", TICHEORN has proven himself to be of real value to his cover company WUSALINE and to DO. Because of their interest in using

him as a full-time asset, DO has agreed to assume full administrative and operational responsibility for TICHLORN, effective 1 July 1967. Responsibility for the fulfillment of TICHBORN's contract (effective through 30 September 1967) will be transferred to DO, effective 1 July 1967. Full financial responsibility for TICHBORN's salary and expenses will be transferred to DO on 1 October 1967. WHD and DO have agreed that because of TICHBORN's area knowledge and experience, WHD would enjoy a primary of interest in his possible future operational use. WHD agreed to reimburse DO for the costs of salary and expenses for any such future use of TICHLORN.

c. In order to cover costs of salary and expense of TICHBORN until DO assumes financial responsibility on 1 October 1967, a FY 1968 extension of three months (from 1 July - 30 September 1967) is requested.

8. Coordination. Coordination outside the Agency is not necessary.

9. Costs. (1 July 1967 - 30 September 1967)

Salary (three months)	\$4,250
Travel	<u>1,250</u>
TOTAL	\$5,500

The Agent will be funded as follows:

a. WH Division will make funds available to DO to cover salary and travel expenses. DO will pass these funds to WUSALINE through existing funding channels.

b. The Agent will conform to Agency requirements in all his accountings.

10. Action Requested. Extension of Project UOACE for the period 1 July - 30 September 1967 in the amount of \$5,500 and termination effective 30 September 1967.

<p>The Station appreciates the press analysis contained in the Reference, which was prepared by Edward G. TICHBORN. We feel that TICHBORN's comments on the press image of EMANTHEM/1 are particularly useful. As Headquarters is aware, however, EMANTHEM/1 has not shown himself particularly willing to take strides to improve his press image and continues to manifest a rather callous disregard for principles of public relations in general. While thus of no real immediate use, a continuing TICHBORN analysis would prove valuable should the opportunity present itself to render EMANTHEM/1 public relations advice and aid. We also believe such an analysis would be worthwhile in that it would keep TICHBORN himself up to date on the Dominican situation. Should it be decided to offer EMANTHEM/1 direct public relations or political advice, TICHBORN, in view of his established rapport with this individual, would be a natural candidate for the job. We would therefore appreciate further TICHBORN analysis, if practicable and convenient.</p>

VIA : Chief, DO/CO

SUBJECT : Edward G. Tichborn (P)

1. The undersigned on 23 May 1967 reviewed in WH Division Tichborn's 201 file (4 folders) and related operational files. Particular attention was given in this review to Tichborn's security.
2. The files reflect that Tichborn is very security conscious. There is no evidence that Tichborn was ever suspected of being a WOFAC operative.
3. Tichborn practiced law in California and was active in state and national politics. He was recruited as a political advisor on a part-time basis in 1959 by the CA Staff. In 1962, he was taken on full-time under contract by WH Division and assigned to Mexico City. His cover for this assignment was publishing and movie interests in Mexico and elsewhere in Latin America. In Mexico City he published a magazine, Dialogos aimed at left-wing intellectuals. The CI/OA staff review in 1965 stated that Tichborn's cover story was completely accepted by his friends and associates. The SCS/IRL of Tichborn in 1965 revealed that he had informed only his wife of his association with WOFAC.
4. The files reflect that Tichborn is very sensitive about security. He balked at working with a WOFAC officer in Mexico City, because a friend told Tichborn that the WOFAC officer not only was WOFAC but had openly admitted it to the friend. A proposed trip to Bolivia was aborted because Tichborn felt there was no suitable cover.
5. Tichborn has traveled extensively in Latin America on training and election assignments. Three countries in which he worked are Chile, Dominican Republic and Puerto Rico. On these assignments Tichborn used his legal, publishing, and movie cover. It is understood that he also used aliases and disguises, although this was not noted in the quick review of the files. He can, of course, be debriefed in detail on this aspect.

SECRET

201-253203

6. The files show that Tichborn's magazine, Dialogos was funded through Tichborn by various individuals through arrangements made by CCS. The AS/WH/6 interrogated Tichborn on any foundation funding. Tichborn could recall only one instance of foundation funding, some \$2-2,500 given [redacted]

[redacted] There is also a reference in the files that one, Louis Mercier, was informed that ODACID also supported Dialogos.

7. The files reflect very favorably on Tichborn's performance - two reports by the Mexican Station and one from COS/Santo Domingo are most commendatory. On the negative side, administrative details bore him.

8. The undersigned has confirmed with Chief, WH/CA that if DO will take over Tichborn's contract, WH will pay Tichborn's salary and expenses for the first quarter of FY 1968. Chief, WH/CA is awaiting DO's decision.

9. The undersigned is very favorably impressed by Tichborn. By 1 October, it is believed that Tichborn will be sufficiently well-trained in commercial and investment banking matters to do legal-business consulting on a fee basis for WUSALINE. He should be able, depending on the number of operational requirements, to earn a part, if not all, of his salary. On this basis, it is recommended that DO assume administration of Tichborn effective 1 July 1968 *under DO's wing*, with the understanding that WH Division will defray Tichborn's salary and expenses during the first quarter of FY 1968.

MEMORANDUM FOR THE RECORD

SUBJECT : Contact Report, 8 May 1967

PARTICIPANTS: Edward G. TICHBORN, Stephen Chaconas, and Lee E. Patton

PLACE : Shoreham Hotel, 1230-1500 Hours

1. Preliminary meeting was in the hotel room but the bulk of the discussion took place during lunch and afterwards. The gist of the discussion with TICHBORN was as follows:

a. TICHBORN explained how he had been surprised at the sudden loss of interest by Antonio Menendez in the project and particularly in introducing TICHBORN to other contacts. TICHBORN says that the reason for this is Menendez' sudden recognition of the danger to his political future in even indirectly being connected with what could become a controversial book. TICHBORN attempted to develop various hypotheses for the revelation of this fear at this time rather than earlier in the negotiations. There was, however, no really clear explanation of why Menendez had so suddenly drawn into his shell.

b. TICHBORN was asked whether he felt that in some ways we were not "taken" by Menendez. He responded with considerable heat by saying that it was a calculated gamble that "just didn't pay off". He became very defensive when the discussion turned to the original evaluation of Antonio Menendez. He says that he is convinced that Menendez has the information as well as the contacts and in short was the right man but one who turned out to be unwilling to run the risks involved for the "small amount of money" he would be paid. TICHBORN attempted to make a strong case for his belief that Menendez was the right man and emphasized (somewhat apart from the point) that some day he will have an important post in a future PRI government. TICHBORN says the whole problem was discussed with Stan Watson who agreed that the project could not be

SECRET

201-253-43

productive now due to the sudden reluctance of Antonio Menendez and Jose Luis Siqueiros to introduce TICHBORN to their contacts. Stan Watson also felt, according to TICHBORN, that it would be risky for TICHBORN to contact Gonzalez Casanova, Cholula and Urquidi. While details of the discussions between Watson and TICHBORN were not given, it seems that the decision not to proceed was reached without any major hassle between TICHBORN and Stan Watson. (Comment: TICHBORN appears to be not at all unhappy about terminating what could have become a long and unproductive research effort built on a shaky story of TICHBORN writing a book on the PRI.)

c. Antonio Menendez wrote up in English some of his comments based on his approach to the research problem. This 13 page double spaced report is attached.

d. Chaconas asked TICHBORN how well he knew Carlos Fuentes (for possible BGBERET targeting). TICHBORN replied that he knew him very well and that he felt he could approach him directly if he had a reason for being in Paris (vacation, for example) or wherever Fuentes is now living. TICHBORN said that he believed Fuentes would accept an assignment to write articles on North Vietnam based on a future visit to that area but he also indicated that he believed we could not control the tone of the articles which would be likely to be pro-North Vietnam.

2. TICHBORN was asked by LEP to review the list of trips TICHBORN had made outside the country and to confirm the dates and advances involved. LEP asked TICHBORN to get a list from his cover company of his domestic trips so that when the cover company submits a claim, WH will have a record of what trips were authorized for operational purposes involving TICHBORN. TICHBORN, on the same subject, said that he feels as does his cover company boss that some other arrangement should be made for some of his travel for WH. TICHBORN says he feels that the amount of travel he is involved in may appear unusual to the cover company accountant. LEP agreed that this was not a good situation over the long run and that he would talk to Gail Allen about making different arrangements for the future.

3. TICHBORN was requested to rebate the \$171.18 owed from the advance given him in Mexico for his trip there on 17 March. He offered to write out a check but LEP suggested that he send the check through the proper channels to the post office box number given him. He also promised to send the accounting for the latest trip to Mexico City in as soon as possible. TICHBORN was reminded of the need to send in his April and May loan payments which he agreed to do right away.

MEMORANDUM FOR THE RECORD

**SUBJECT: Outstanding Loan Account - Edward G. TICHBORN (P)
Henry R. Lopez**

1. In the attached informal note by Edward G. TICHBORN, he states that he recalls on or about September 10, 1966 that, in a meeting with several Agency representatives, he received tacit acknowledgement that there would be no problem for the temporary delay in his repaying of an outstanding account. None of the Agency representatives believed to have been present at this vaguely described meeting specifically recalls discussions of this outstanding account and specific arrangements for its handling. Nevertheless, it is believed quite possible that casual reference to it may have been made at one of the meetings with TICHBORN and either through misunderstanding or general oversight, the problem was not followed through, in that repayments are being made on a continuing regular basis in satisfactory manner. It is believed no further action is required provided that repayment continues at the rate of \$125 per month as agreed until the advance is met in full.

2. The purpose of this memo is to state the reason of non-payment during the period August 1966 - January 1967 and will be to document TICHBORN's loan account.

SUBJECT : Contact Report, 20 April 1967

PARTICIPANTS: Edward G. TICHBORN and Lee E. Patton

PLACE : Hotel Barbizon Plaza and Restaurant, 1945-2230 Hours

1. The following administrative details were discussed with TICHBORN:

a. The change in insurance premiums was explained. He is to pay \$26.88 for his next premium and in the future will pay \$25.89.

b. His income tax problems were discussed, and he feels the matter has now been arranged satisfactorily as a result of his trip to Washington to talk to WH/B&F officers.

c. In regard to Spain--he was told that the situation still has not been settled but that a decision is expected around the end of April.

c. LEP requested a statement from TICHBORN with regard to his authorization to have a six month moratorium on his \$125 a month loan payments. TICHBORN wrote out a statement per B&F's request. He also signed a certification for his recent trip to Mexico. LEP requested TICHBORN to give him a check for the rebate for his 17 March trip to Mexico of \$171.18. In response to a question as to how much he had paid Menendez, he said he had given him \$500.

2. In a discussion on the objectives and plans for his 25 April trip to Mexico City, TICHBORN said he intended to contact the following: Menendez, Siqueros, Cholula, Casanova Gonzalez. He said he had called and confirmed specific meeting dates with Menendez and Siqueros. TICHBORN said he could not call Cholula and Casanova because such a long distance call would seem unusual to these acquaintances. TICHBORN says he believes a firm decision can be made re the possible success of

the PRI study as a result of this trip. He was told that lacking clear signs of progress, we would not consider sending him down again. He will be staying at the Hotel Del Paseo and will arrive the afternoon of 24 April for a week's stay. He will call Stan Watson when he arrives.

Copy of letter from Edward G. TICHBORN

"On or about September 10, 1966 I had a meeting with three or four gentlemen in Washington (as I recall, they were Jerry Droller, Jack Kaufman, Paul Kittredge and someone else) and I informed these gentlemen that my moving expenses had been considerably more than I had estimated. However, I told these gentlemen that rather than ask for an additional amount, I wished to serve a moratorium of loan payments for six months. One of these men (with a nod from another) said "okay--don't worry about it-- just don't ask for an additional allotment. We'll take care of it."

"At this point we moved on to another topic, and I assumed I would be allowed to skip payments for six (6) months.

MEMORANDUM FOR: Chief, WH Division

SUBJECT : Request for Services of Edward G. TICHBORN (P)

1. Pursuant to exploratory discussions participated in by Mr. Allen of DO, [] of EUR, and Mr. Patton of WH, your approval is requested to assign contract agent Edward G. TICHBORN (P) to Madrid for approximately three weeks TDY. DO would, of course, defray the expenses of Tichborn's trip.

2. As you know, Tichborn is provided cover in New York by DO's proprietary WUSALINE under Project WUBRINY. WUSALINE has an affiliate in Madrid. The operational potential of WUSALINE's Spanish affiliate and that of its local directors has not been fully determined. DO, EUR and COS, Madrid, are interested in determining the access of the local directors to intelligence targets and in assessing the affiliate as a cover vehicle. As WUSALINE's officer concerned with Latin America, Tichborn is considered a logical choice from the cover viewpoint for this assignment. He also has considerable WOFAC experience, meets people easily, is fluent in Spanish, and is a graduate of the Harvard Law School. The latter fact is important, considering the legal background of the affiliate's local directors.

3. If you approve, it is envisaged that the operation will be closely coordinated by DO, EUR, and WH. COS, Madrid has concurred in a TDY by Tichborn and can provide on-the-spot guidance.

MEMORANDUM FOR: DC/DO

SUBJECT : Discussions with WH/6 re Possible Use of Edward G. Tichborn (P) in Spain

1. The undersigned lunched on 15 December 1966 with Mr. Lee Patten, the WH/6 Case Officer for Edward G. TICHBORN (P), who is under WUSALINE cover in New York. Mr. Patten was formerly COS Managua and now Deputy Chief, WH/6 under Mr. Paul Oberst. He is a very competent and conscientious case officer. He believes that WH Division should get the most operational benefits possible from Tichborn, inasmuch as WH Division is paying Tichborn's salary. He is working diligently to come up with operational assignments for Tichborn. He has Tichborn working on two research projects and hopes to establish Tichborn as a political advisor to the Government of the Dominican Republic. Although WH Division is suffering budget cuts, which Mr. Patten laments, his project for Tichborn has been approved for one year and funds are available.

2. In view of Mr. Patten's conscientious approach as case officer for Tichborn and some known parochialism in WH, the undersigned felt it unwise to press Mr. Patten for more than approval for Tichborn to make a 2-3 weeks trip to Spain. In fact, the undersigned had to present a considerable case for even this limited use of Tichborn. However, as a result, it is believed that Mr. Patten will support in WH Division a TDY in Spain for Tichborn of 2-3 weeks duration at DO expense. Mr. Patten will call the undersigned on 19 December to report the WH position.

3. The undersigned seized upon the budget cut point to volunteer that DO would be amenable to helping out with Tichborn's salary if WH is hard pressed. Mr. Patten declined, inasmuch as his project is approved for one year. He hopes to get so many operational benefits from Tichborn that he will have no problem renewing the project next year. He did admit that DO's willingness to pay Tichborn's expenses and salary while on a TDY to Spain should help him sell the proposal to his superiors.

4. The undersigned pointed out that he had not yet approached the Spanish Desk on a TDY for Tichborn, because it was desired to

get WH Division's views as a first step. Mr. Patten said that in the event of WH approval of a TDY to Spain for Tichborn that he would like to participate with DO and the Spanish Desk in the briefing of Tichborn. The undersigned readily concurred. Mr. Patten thinks that Tichborn should not be a global asset but rather one limited to Latin America. However, he did concur with the undersigned that Spain represents an exception because of language and historical ties to Latin America. Mr. Patten strongly hopes Tichborn can be a political advisor to the Dominican Republic Government. He would not think of recommending to his superiors more than a 2-3 weeks TDY for Tichborn with the understanding that the advisor requirement has priority. The undersigned pointed out that DDP considers the Spanish requirement high priority, and that use of Tichborn for a TDY to Spain would surely be an important justification when project renewal time comes around.

5. It is hoped that WH's position will be favorable for a 2-3 weeks use of Tichborn in Spain. Any pressing of WH for use of Tichborn over a longer period is a matter of delicacy. The undersigned knows that WH feels they were coerced into accepting Project WUBEREE. The undersigned would not recommend pressure. On the contrary, the undersigned has hoped to use Tichborn as a means of opening up Latin America for Project WUBRIKY.

MEMORANDUM FOR THE RECORD

SUBJECT : Contact Report, 8 December 1205-1600 hours

PARTICIPANTS: Edward G TICHBORN and Lee E. Patton

PLACE : Hotel Hoosevelt and Charley Brown's Pub

1. TICHBORN arrived at the meeting site in the lobby five minutes late. We went up to the hotel room where the following business items were discussed.

a. He was told of his overpay of \$872.37 which he said he would return at once by check to Manuel P. Goodtwo, mailed to Mr. William S. Rodgers, [redacted]

b. TICHBORN was reminded of the requirement that he pay his premiums of \$3.63 for his health insurance. He was told he owed for the period of October through January, and it was suggested that he pay by check directly to the above box. He was told that there was no expiration notice sent out on the premiums being due; hence, it was up to him to keep the matter current.

c. He was told that Finance was interested in obtaining his monthly payments of \$125 in repayment of his loan of \$3,000. Apparently he had last paid in July. He requested an extension or moratorium through January 1967 due to his heavy expenses involved in moving.

d. TICHBORN was shown copies of the "White" FBIS publication. After he has looked at these, he will notify LEP as to whether he wants copies in the future mailed to the post office box which he has now obtained.

e. TICHBORN was told that the \$575 which he had lost on a TDY trip about a year and a half ago has now been officially written off.

201 25203

1. TICHBORN was told NOT to use his pseudo, TICHBORN, on mail (LEP had received an envelope from TICHBORN which carried his pseudo on the outside as sender but had a phony address).

2. TICHBORN submitted his proposal on the PRI study which he estimated would cost \$3,800. Since it did not have a research plan or outline, LEP requested him to send one as soon as possible. TICHBORN believes Menendez is indispensable and that his services are worth the \$2,000 he has projected. TICHBORN feels that his plan is not as complete as it might be but would be of a very useful size and scope and could be completed in six months. LEP briefed TICHBORN on the peculiarities of our operational interest in research as contrasted to the traditional academic approach. TICHBORN seemed to understand these distinctions very clearly.

3. TICHBORN had a preliminary report entitled "Press Reaction to Balaguer". He said that last week he had finally found a newstand on 146th Street where he could buy daily issues (only about a day late) of El Caribe, Listan Diario and Ahora.

4. LEP briefed TICHBORN on our (WH) reluctance to send him on [] missions to other areas. He indicated that he had not heard of the Spanish trip from []. He quickly said that he thought such a trip was justifiable from the standpoint of Spanish relations with Latin America, etc. etc.

5. He agreed that he would be of very limited use for [] in other areas and said that he had so informed [] when such travel had been proposed earlier.

MEMORANDUM FOR: Chief, DO

SUBJECT : Spain

- REF : A. DO memorandum 66-264 dtd 1 Nov 1966 to Chief, EUR Division re Possible Exploitation of [redacted]
- B. Memorandum dtd 8 November 1966 from Chief, DO to Mr. Gale W. Allen re Information about Spain (and Portugal)

1. Chief and DC/E/IB informed the undersigned that Chief, EUR does not think Ref A contains sufficient specific information to permit adequate evaluation of [redacted] access to intelligence targets in Spain. He, therefore, refuses to permit transmittal to the field of available information as agreed in discussions held with DC/COS Madrid prior to his departure. They also informed the undersigned that the requirements in Ref B should be more specific and requested that the undersigned discuss the matter with them.

2. The undersigned had previously discussed Ref B requirements with WUBRIEY/1. He submitted a list of U. S. firms operating in Spain; a previous report on the ten leading Spanish banks with the interlocking connections in industry of the officers and directors of the banks; and a proposal for additional study. WUBRIEY/1 proposed that, in the guise of publishing a financial directory, [redacted] approach U. S. firms operating in Spain and obtain detailed information on their operations. WUBRIEY/1 also proposed to approach [redacted] allegedly in behalf of a client bank interested in Spain, to do a study from the political viewpoint on the most significant power elements in the economic and commercial field. He said that the study could be as elaborate as WOFAC is willing to pay. The undersigned, armed with WUBRIEY/1's thinking and list of U. S. companies, met with Chief and DC/E/IB at their request on 30 November 1966.

met 3. Chief and DC/E/IB asked some very specific questions on the access of [redacted] either as a firm or through its Directors to intelligence targets. They must be in a position to justify to the satisfaction of Chief, EUR that [redacted] have intelligence capability which can be operationally exploited. Therefore, answers must be forthcoming on this matter or DO assure them that [redacted] has such access but can't exploit it unless an officer is assigned to [redacted]

SECRET

4. The principal questions asked are listed as follows:

- a. What are the normal commercial relations, if any, between [] and the Spanish Government?
- b. If such relations exist, give details. How did the commercial relations arise? Was it because of commercial reasons or relations between individual [] Directors and officials of the Spanish Government? If the latter, what is the nature of the relationship? Was it friendship or under-the-table deals such as kickbacks, rebates, etc. Describe each [] Spanish government deal giving the substance, participants, and arrangements?
- c. Does [] or its Directors have connections with any political group, either in the regime or in the opposition? Does it contribute funds to any political group?
- d. Does [] have any deals with the military on arms and equipment? If so, give details.
- e. What are the specific projects [] has worked on in the past two years, either for its own account or the account of others. Give details.
- f. What information does [] have, or a capability for obtaining, on Spain's economic, industrial, and financial situation as it might affect a post-Franco Government.

5. Re Ref B requirements, Chief and DC/E/IB affirmed interest in the most significant power elements in the economic or commercial field in Spain, particularly those having political ties. They are interested not in all U. S. firms operating in Spain, but in those which are politically conscious and have the capability by virtue of size or nature of work to influence political life in Spain. For example, a small U. S. firm raising chickens in Spain is of no interest. Conversely, the Bank of America in the banking field or Brown & Root in the construction field or a U. S. firm manufacturing military equipment could be of great interest. In those firms with a capability to influence Spanish political life, the Chief and DC/E/IB would be interested in knowing the U. S. managers in Spain who deal with the Spanish authorities.

6. The undersigned asked, and Chief and DC/E/IB agreed, to send Chief, DO their specific requirements on a formal basis. Chief and DC/E/IB opined that Project WUBRINY appears to have the best capability for Spain and Project WHEETREE for Portugal.

SECRET

SECRET

7. The undersigned, on 1 December 1966, apprised WUBRINY/1 of the specific nature of the Spanish Desk requirements, inasmuch as WUBRINY/1 could go to Spain while on his current trip to Europe. WUBRINY/1 said that answers to such specific questions would require someone spending considerable time on the spot. He could not spend the time, but suggested that WH contract agent, Edward G. TICHBORN (P) be made available for two weeks assignment with [redacted] WUBRINY/1 noted that Tichborn is fluent in Spanish and an experienced hand in ferreting out such information. Moreover, it would be perfectly natural for Tichborn to visit [redacted] prior to undertaking commercial ventures in Latin America. A visit by Tichborn would be very logical from a training viewpoint and in the light of the traditional ties between Spain and Latin America.

8. The undersigned concurs with WUBRINY/1 that Tichborn would be an excellent means of obtaining the desired information. Subject to WH Division's operational demands on Tichborn, it is hoped that WH Division would make him available for a couple of weeks. This matter can be developed further when WUBRINY/1 returns from Europe and it is determined whether Tichborn will be needed for a two weeks training job in the Dominican Republic.

SUBJECT: Edward G. TICHBORN--Salary Overpayment; Payment of Contract Hospitalization Insurance Premiums

1. The following pertains to a salary overpayment to Edward G. TICHBORN and procedure for payment of his Contract Hospitalization Insurance premiums.

2. It is requested you advise T:

a. Although full salary for October, 1966 was paid him by his cover office, Headquarters payroll erroneously sent the amount of \$872.37 to his bank representing his October salary.

T is to liquidate the overpayment by forwarding ~~his~~ his check in the amount of \$881. (\$872.37 plus 8.63 insurance premium) payable to Manuel P. GOODTWO.

b. As T, beginning with October, receives full salary from cover, it will be necessary for him to provide payments to Headquarters for his contract hospitalization insurance. The monthly premium is \$8.63.

It is suggested that premium payments be made on a quarterly basis beginning with the period Oct 66 - Jan 67 inclusive. Subsequent quarterly payments should be made during the last month of the preceding quarter. Check should be made payable to Manuel P. GOODTWO.

If T indicates quarterly payments are inconvenient, he may pay in any multiple of one month in advance. In such case, the initial payment must be for two months (Oct and Nov). Subsequent payments should be made in advance of the month for which premium is due (premium for Dec should be received during Nov, etc.).

Advise T that expiration notices are not sent.

c. The above checks should be forwarded to this office for processing.

d. If you desire for T to send the checks directly to me, the following sterile address may be used (let me know if he is to use).

MEMO : To [redacted]

FROM : [redacted]

IN RE: Projected trip through Latin America

Bearing in mind that our executive committee may (at some future but presently undetermined date) desire Lopez to undertake in-depth surveys of economic conditions in certain Latin American countries, we consider it highly desirable to establish prior contacts with the banking and business communities of several selected areas which are most likely to offer [redacted] sound investment opportunities. Our past experience indicates that it is much easier to assess spontaneous financial ventures if one is already acquainted with the business ambience of a particular country. Thus, having previously touched base with local bankers and industrialists, Lopez would have the advantage of their personal advice in matters relating to any specific subsequent projects.

The countries that would seem to offer the most promising opportunities for [redacted] are PERU, CHILE, ARGENTINA, URUGUAY, BRAZIL and VENEZUELA. Fortunately, we have already established certain minimal ties with most of these countries, but it would be best for Lopez himself to become personally acquainted with our contacts therein.

In order to save time and money, it would be advisable to visit all these countries in a single round-the-hemisphere

trip. Taking into account the normal travel delays, the trip would require about eighteen (18) days.

Budget requirements:

- 1) Airline fares - \$550 per person.
This is Pan American Airlines special "winter fare." Normally, the trip costs \$840 per person.
- 2) Lodging, food and minimal entertainment expenses - about \$35 daily per person.
Total for each person would be about \$630.
- 3) Miscellaneous expenses (cab fares to and from airports, in-town cab fares, phone calls, secretarial costs, etc.) - about \$100.

Since the month of December is generally a slow business period in most of these countries, we would suggest that this trip be made in the month of January, 1967.

SUBJECT : Edward G. TICHBORN (201-253203)
REFERENCES : CI/OA Memorandum of 8 November 1965

1. Subject has been transferred from Mexico City to the New York City area where he is employed in WUSALINE, a WOPACT controlled proprietary corporation. He will no longer be connected with Project LICOLIC or involved in furnishing FI information on the intelligentsia of Mexico as delineated in the memorandum of reference.

2. TICHBORN's new assignment will involve the following operational duties:

a. Various research activities in the political and psychological warfare fields. His area knowledge, language ability, and political expertise will be utilized in the production of political analyses-in-depth of key campaign issues, personalities, and parties in selected Latin American countries.

b. Availability on short notice for travel in the Latin American area as political action and election campaign advisor to those countries where WOPACT has been assigned such responsibilities.

MEMORANDUM FOR THE RECORD

SUBJECT : Contact Report, 26 October

PARTICIPANTS: (1) Edward G. TICHBORN, [redacted]
Gaff Allen, and Lee E Patton

(2) TICHBORN, Allen, and Patton

PLACE : (1) [redacted] 1500-1730 hours.

(2) Mannie Klein's Restaurant 1730-2000 hours

1. During the meeting [redacted] the majority of the discussion centered around [redacted] the trip to Central America and CIA/DO relations with [redacted]. The following points of interest were gleaned in this period.

a. [redacted] is a highly-trained promoter who is coldly reserved and capable. He seems to be generally pleased with TICHBORN and his capabilities for serving the firm as legal advisor, contact man, and unofficial economic consultant on economic matters.

b. TICHBORN likes his cover company, [redacted] and the work itself.

c. [redacted] if let alone, would use 100% of TICHBORN's time. When he brought this up, LEP used it as a starting place for briefing on the general nature of TICHBORN's functions of the past. [redacted] was told that he would need TICHBORN for "research activities" in addition to any use involving special trips to Latin America. He was told we would need 50% or more of TICHBORN's time to carry out these activities. It was pointed out to him that because of the nature of TICHBORN's services, we would have to insist that he be available for immediate use and hence could not be on any long-range [redacted] projects which would be difficult to drop. [redacted] accepted these limitations without visible annoyances or objections.

d. Tichborn says his office cover is good and there are no indications that he is not accepted for what he purports to be.

~~TICHBORN~~ concurs in this estimate of the lack of security problems within the office.

2. After leaving [] we went to dinner where the following subjects were discussed:

a. LEP pointed out clearly that he was "the boss" and responsible for TICHBORN's operational utilization. TICHBORN was told that Galt is responsible for the [] commercial setup. There appeared to be no doubt in his mind as to who calls the shots.

b. TICHBORN was told of our need for an experienced Latin American specialist who could handle political action research on key issues in certain countries. He was also told of our interest in possible CA covert action advisory tasks. Our need for someone able to make meaningful interpretive analyses was explained in some detail and examples of probable areas and issues were presented. TICHBORN said he had no special experience in content analysis or survey analysis techniques. However, he was apparently very much interested in the idea. He said that he would get the book suggested on content analysis. He will check into the availability of the Dominican Republic papers mentioned and let LEP know by 5 November if they can be had in New York City. He was requested to approach the problem along the general following lines: Analyze the Bosch anti-government statements for indications of whom he is trying to reach, how, and for what reason (since June 15). Similarly analyze the Balaguer statements and determine:

- 1) Influences the news media is having on his public image.
- 2) Where and how could he strengthen this image.
- 3) What issues should be raised or suppressed.

It was suggested that he try to get issues of El Caribe and Listin Diario.

3. LEP's initial impressions of TICHBORN were as follows: He is very intelligent and in addition is "sharp". He has a professionally smooth and friendly manner. He is a natural politician. He is an "operator" and will collaborate very closely and enthusiastically so long as there is real benefit in it for him. He is probably sensitive to his Mexican-American ancestry as indicated by his obvious annoyances (albeit presented jokingly) at the fact that

he has not been invited out to lunch by any members of [redacted] company in the six weeks he has worked there. He is probably not a detailed man and is impressed by social position and wealth and consequently likes to function on a high level. Although there is no real reason to believe that TICHBORN may see another career ahead, LEP feels there is a possibility that [redacted] will try to hire him for his company or he may make contacts in New York City which could lead to his getting a non-CIA job.

COMMENTS:

1. US/03 is a new W/S project designed to support contract agent Edward G. TICHORN (P) as a political action agent on a regional W basis. It replaces an earlier, now-terminated support project, 180030, under which TICHORN was handled by Mexico City Station through 30 September 1966. The new US/03 project covers TICHORN's salary, travel and operational/miscellaneous costs on the amount of \$15,000 from 1 October 1966 through the end of FY 1967. The FY 1967 W Operational Program contains sufficient funds to cover this project.

2. TICHORN has served CIA as a political action agent in Mexico City since 1961. His work there centered primarily on the development of a cultural magazine, Skaleya, which attempted to counter the persistent leftist monopoly of the Mexican intellectual community. From time to time he also carried out spot assignments in other W areas, usually as a top-level consultant in election campaign operations (e.g., in support of Balaguer in the Dominican presidential elections).

3. In August 1966 TICHORN was obliged to leave himself and his family to the United States for personal reasons. The US/03 project establishes him under a new cover, the [redacted] in New York City, a [redacted] Proprietary under project WADHNY, which is conducting its activities in Latin America. Under this cover, TICHORN will continue to be available on short notice for a variety of political action (election-targeted) assignments, as in the past.

4. TICHORN's unique ability to serve CIA objectives in key election situations has been amply documented. The new cover arrangement under WUSALINE appears well suited, in terms of flexibility and backstepping, to enable CIA to continue to utilize TICHORN's services in the future. Recommend approval.

PROJECT UOACE

a. Identification. Base - New York City. Political Action Support.

b. Objectives. To support contract agent Edward G. TICHEORN (P) who will be used as a covert action advisor and political action agent by WHD. In addition TICHEORN will be available for election campaign research, special political surveys on selected countries and other allied research requirements which will utilize his political expertise and area knowledge.

c. Background. In late 1959, TICHEORN, a bilingual Harvard-trained lawyer with considerable domestic political experience, was hired as a political action advisor for Agency-sponsored election operations throughout Latin America. In 1961 he became a full-time contract agent and was assigned to Mexico City, under personal cover, which permitted him to travel readily on third country political action assignments. He has participated in political operations in Cuba, El Salvador, Guatemala, Argentina, Chile and the Dominican Republic. While based in Mexico he was primarily a Headquarters asset but in addition did an excellent job for Mexico City Station in first establishing and running a magazine aimed at Latin American intellectuals, and second reporting on the activities and attitudes of Mexican left-wing intellectuals. TICHEORN has shown himself to be a very intelligent, outgoing Mexican-American with initiative and energy who has highly developed political sensibilities.

This project is being presented to cover the salary and operational expenses of Contract Agent Edward G. TICHEORN.

d. Operational Aspects.

(1) Personnel. Edward G. TICHEORN was granted Operational Approval No. C-77119 on 14 October 1959, and this clearance was extended on 8 November 1965.

TICHEORN departed Mexico City on 1 August 1966 for PCS assignment to New York City where he will be employed for cover purposes by the DO proprietary WUSALINE. WUSALINE is expanding its activities into the Latin American area and can readily utilize the legal/economic background and area knowledge which TICHEORN

SECRET

possesses. TICHBORN initially will devote a substantial amount of time to his duties at WUSALINE for cover-building purposes but will be available for Agency assignments on short notice. It is not planned to invite any other persons or organizations in the U. S. witting of the Agency/TICHBORN relationship with the exception of the principal agent WUBRINY-1, WUBRINY-2 and WUBRINY-11 of the WUSALINE project.

TICHBORN will enter on duty with WUSALINE on 1 October 1966.

(2) Mechanisms. The WUSALINE mechanism operates as a subsidiary of the investment firm of WUSALIFY and is a DO proprietary. Arrangements for the use of WUSALINE by WII Division have been coordinated with the DO office concerned.

e. Security Evaluation. It is estimated that the danger of a security compromise in this project is minimal. TICHBORN will be involved in cover activities in WUSALINE which fit his academic and area interests and experience. WUSALINE has a well-established cover as a part of the bona fide WUSALIFY company and has had no security problems which could adversely effect the cover provided TICHBORN.

There are no known security risks which could have been passed on from his former cover in Mexico City as a consultant with a Mexican legal firm. The new WUSALINE cover arrangements will strengthen TICHBORN's cover security by permitting the income backstopping and the operational and travel flexibility required in his assignment.

In the event of compromise, TICHBORN probably would be discharged from WUSALINE in order to minimize the damage to that mechanism. Depending on the gravity of the compromise, steps might be taken by WUSALINE to disown TICHBORN to protect the cover mechanism and WUSALIFY.

An LCFLUTTER test in May 1965 indicated that TICHBORN had told no one other than his wife of his relationship with the Agency.

f. Coordination. Coordination outside the Agency is not necessary.

g. Costs... (1 October 1966 --30 June 1967)

Salary (\$17,000/yr.)	\$12,750 (9 months)
Travel (domestic and International travel incident to establishment and maintenance of his cover position)	2,250
Operational entertainment and miscellaneous expenses	1,000
TOTAL	\$ 16,000

The agent will be funded as follows:

(1) Overl salary and necessary cover travel expenses will be paid by WUSALINE on a monthly basis.

(2) WH Division will make funds available to DO to cover TICHBORN's salary. DO will pass these funds to WUSALINE through existing funding channels.

(3) Operational expenses will be reimbursed by the case officer directly to the agent.

(4) The Agent will conform to Agency requirements in all his accountings.

h. Annexes. None of the special considerations listed under this heading is applicable to this project

i. Emergency Conditions. In view of TICHBORN's location in the U. S., no special planning is required for emergency conditions.

MEMORANDUM FOR: Chief, WH Support

SUBJECT : Edward G. Tichborn

1. Contract Agent Edward G. Tichborn, formerly assigned to Mexico City Station, departed that post on 1 August 1966. Effective that date he has been assigned PCS to New York City, New York, to carry out political action tasks as required by WH Division and other operational components of the Agency. While located in New York City, he will be employed for cover purposes by the DODS proprietary WUSALINE.

2. Incident to this transfer, WH Division has agreed with Tichborn to an increase in salary to \$17,000 and a new contract reflecting this amount as the new gross salary should be prepared to be effective 1 October 1966. The new contract should include a salary offset clause to insure there will be no duplication of payment and reflect the various hospitalization and insurance benefits included in the existing contract.

3. Salary payments through 30 September and other costs arising from his transfer from Mexico City to New York City should be charged to Project LICOLIC. A new project reflecting the increase in salary will be prepared by Branch 6 to be effective as of 1 October 1966, and salary as well as other operational expenses incurred subsequent to that date should be charged to the new project. WH Division Branch 6 will have responsibility for project management as of 1 October.

4. I suggest that this matter be brought before the reactivated WH agent board for "official ratification."

Tax Assessment - Edward G. TICHBOFF - #340536

REF: WPT - 6611 dated 6 May 1966

1. Transmitted herewith is T/A HQ-0273 dated 2 August 66 in the amount of \$147.34, which represents tax withholding adjustment for Edward G. TICHBOFF for the period 1 December 1965 through 31 July 1966.

2. Upon receipt of reference and the tax assessment percentages from the Tax Committee, Finance was able to clear Subject's tax accounts for the years 1963, 1964 and 1965.

3. A breakdown of the 1966 adjustment is as follows:

Subject has been assessed at the rate of 11.9% for 1966. For the period 12/1/65 - 7/31/66, Headquarters has withheld \$1189.09, but the new assessment is only \$1041.25 (11.9% of gross salary of \$8750.00), thus a refund due Subject in the amount of \$147.84. Therefore, it is requested that the Station pay TICHBOFF the \$147.84, and also beginning with the salary due for the month of August 1966 please pay Subject, and T/A to Headquarters the following net salary:

GROSS	GYS	TAX	HRP	NET
\$1000.00	\$250.00	\$143.75	\$3.63	\$1092.62

4. It was noted by Headquarters, that the Station is still withholding FICA for 1966. The Station should have made a deduction of \$14.70 in the month May, which would give TICHBOFF earnings credits (\$277.20) for 1966. Therefore, it is requested that the Station refund Subject any FICA that was withheld after a deduction of \$14.70 for May, and please note this adjustment in the next T/A to Headquarters.

22 JUL 1966

MEMORANDUM FOR: Central Cover Staff, Non-Official Cover
SUBJECT : Cover for Edward G. Tichborn

1. Edward G. Tichborn, a Contract Agent, is presently assigned to Mexico Station under non-official, personal cover. He is in Mexico ostensibly as a consultant with a Mexican legal firm and acts as editor/publisher of a left-wing intellectual publication, Dialogos. He has requested reassignment to the United States, preferably the East Coast and particularly the New York City area. WH Division has concurred in his request to leave Mexico City in mid-August 1966 and desires to arrange suitable cover which would permit rapid disengagement at any time from regular day-to-day cover duties to undertake temporary duty assignments throughout Latin America at the request of this Division.

2. WH Division in its investigation of cover possibilities discussed the problem with Mr. Stanley Gaines, DO/H, Mr. Robert Fallow, CA/3 and Mr. Gale Allen, DODS. Mr. Gaines investigated the possibility of Tichborn's assignment to the Domestic Operations facility in New York but the New York office did not believe it
Mr. Fallow checked on the possibility

operations in the New York area but these were finally judged as not providing the necessary flexibility; and finally, as you have seen in cable traffic, Mr. Allen came up with a possibility of assigning Tichborn to WUSALINE.

3. On the basis of information made available by Mr. Allen, WH Division believes the WUSALINE proposal has merit and wishes to develop this cover proposal further. It would appear that a satisfactory resolution at this time ultimately rests upon WH Division agreement with Tichborn on terms of his contract, primarily salary, and WUSALINE agreement that Tichborn's background is of sufficient depth to provide a modicum of credibility and his personality is of such a nature that he would be compatible with the principal agent. This will be resolved after Labor Day when Tichborn will be in the United States and the WUSALINE principal agent will have returned from a vacation which he is starting about 1 August. In the meantime, in compliance with regulations for the establishment of non-official cover, the following background information is provided concerning Tichborn and is keyed to your memorandum, "Non-Official Cover Request":

SECRET

SECRET

A. General Information:

- 1) Edward G. Tichborn. Central cover has been queried concerning possible covers to be used by him for a number of TDYs in Latin America as well as for his original location in Mexico.
- 2) Contract Agent; \$12,000 per annum with a housing allowance at present of \$3,000. His contract is now under review.
- 3) He is fit for overseas duty.
- 4) To the knowledge of officers presently available in the WH Division, he has always operated under personally arranged, non-official cover. However, the Central Cover Staff has provided a non-attributable funding channel for transfer of KUBARK funds to the Tichborn operations on a number of occasions. This information should be available in Central Cover Staff files.
- 5) Approximately 1 September 1966.
- 6) Mid-August 1966.
- 7) There is no project at present. Authority for the relocation of this individual will be included in orders transferring him from Mexico. Following this and his establishment under the proposed WUSALINE or other cover, a project will be written.

B. Biographic Information

- 1) DPOB: 26 May 1920, Denver, Colorado. Male; Caucasian; Catholic; U.S.; married; three children; Mexico City, d.f., Mexico; Los Angeles, California.
- 2) Wife and three children presently in residence with him in Mexico City.

- 7) Not known.
- 8) Extensive travel in Latin America and Caribbean area both privately and under KUBARK sponsorship (see attached Memorandum).
- 9) Bi-lingual in Spanish and has a smattering of French, German and some Portuguese.

C. Security Considerations:

- 1) KUBARK employment initiated in 1959 and he has maintained this association since then. Security approval was last granted by KUDESK/OA on 8 November 1965. This approval was given for his use in "...publishing and furnishing intellectual guidance re Dialogos magazine and furnishing FI information on the intelligentsia of Mexico." Apparently derogatory information, developed or provided by Tichborn, was revealed in an LCFLUTTER given in Mexico City on 14 May 1965, a copy of which is available in his 201 file.
- 2) He is aware that he is in the employ of KUBARK.
- 3) Not known.
- 4) In LCFLUTTER it was revealed that his wife was the only individual to whom he has revealed his relationship with KUBARK.
- 5) Not known.
- 6) Not known.
- 7) Not known but it is highly doubtful that he has ever utilized such cover.
- 8) It is planned that he will remain in non-official cover.
- 9) Not applicable.

- 10) His wife who is witting (see C 4 above).
- 11) He carries KUBARK life and hospitalization insurance. His wife is listed as beneficiary.
- 12) N.A.
- 13) His wife is witting but no formal clearance procedure has been initiated. Last LCFLUTTER was on 14 May 1965.

D. Operational Information

- 1) It is presently planned to cover Tichborn under Project WUSALINE. He will be utilized in highly sensitive political operations. It is not planned to make any other individual or organization in the United States witting of the KUBARK/Tichborn relationship with the exception of the principal agent of the WUSALINE Project.
- 2) Location: New York City.
- 3) He should be sufficiently mobile to permit his travel to any country in the world, but particularly Latin America and Africa.
- 4) Any strata of commercial or political life in Latin America or Africa.
- 5) Contract is presently being negotiated but his salary will be on the \$12,000 to \$15,000 level.
- 6) Cannot be judged at present.
- 7) Not known at present. However, communications for this type operation is usually directly to and through the Chief of Station.
- 8) As noted above, the WUSALINE cover would appear to be excellent for Tichborn.

BIOGRAPHIC DATA SHEET - EDWARD G. TICHBORN

1. Edward G. Tichborn, 46, is bilingual and has a wide range of business and social contacts throughout Latin America. Following graduation from Harvard Law School in 1948, Tichborn became affiliated with a law firm in Los Angeles which represented many Latin American corporations with California business connections. In the mid-1950's he became active in California State politics and served in various capacities in Democratic Party state and national organizations. He participated actively in the California gubernatorial campaign of James Roosevelt, the senatorial campaign of Helen Gahagan Douglas and both the 1952 and 1956 Stevenson campaigns for the presidency. He has been President of the Southern California Young Democrats, a member of the California Democratic State Central Committee, a member of the Host Committee for the 1956 Democratic National Convention and a member of the Board of Directors of the National Democratic Minority Conference. In 1960 he served as Los Angeles coordinator of the Kennedy Movement for Americans of Mexican Extraction which, it is reported, contributed substantially to the success of the Kennedy campaign in Southern California. His only try for elective office was in 1958 when he was defeated in his bid for the position of California Secretary of State.

2. In late 1959, Tichborn was hired by the Agency as a political action advisor for Agency-sponsored election operations throughout Latin America. In 1961 he became a fulltime contract agent and was assigned to Mexico City, under personal cover, to establish a degree of security and mobility which would permit him to travel readily on third country political action assignments. Since the beginning of his relationship with the Agency, he has participated in Agency-sponsored political operations in Cuba, El Salvador, Guatemala, Argentina, Chile and the Dominican Republic.

3. Tichborn has contributed stories, articles and interviews to a variety of United States publications. An interview by Tichborn of Catherine Anne Porter, Pulitzer prize winner, appeared in a recent edition of Harpers and a Tichborn essay concerning the cultural dichotomy under which Mexican Americans exist, will appear in an early edition of the American Heritage publication. He is working on a series of articles and a book on the population problem in Latin America and is considering a book on Mexican political institutions, particularly the Partido Revolucionario Institucional (PRI).

SECRET

SECRET

4. At present Tichborn runs a Mexico Station funded left wing intellectual publication (LIREAM). His cover in Mexico is nominal and he attributes his presence and activities primarily to his connections in the legal field through his former partner's law firm and his own intellectual interests.

Memo For C/SA/CA

Subject : Tichborn Employment

In follow-up to our conversation of 30 June, I contacted Stan Gaines of DO/H and Sreemca Braham of CA/3 on 30 June; Bob Fallow of CA/3 on 5 and 6 July; and Gale Allen of DO Washin on 6 July.

Cover t Action Staff:

Braham had indicated a possibility there might be a slot open for Tichborn with [redacted] New York and he said that he would discuss it with Fallow upon the latter's return from New York on 1 July.

[redacted] investigate other possibilities, including COMINT, and let me know within a couple days. He also indicated that he would discuss Tichborn with his front office and see what Cord Meyer might have filtering about in the back of his head which might be applicable to this problem. He indicated some interest in the COMINT possibility and, while pointing out Tichborn's background is primarily Latin American and COMINT at present does no business in Latin America, he said that he would investigate this more closely and be in touch with me.

Domestic Ops Headquarters:

Stan Gaines stated that Rudy Gomez and Fir DaSilva, with whom he had discussed the possibility of Tichborn's employment in New York, indicated that as far as

[redacted] non-committal. Following Gaines return from New York, he said that he had planned on talking with Tracey Barnes concerning Tich but had not had a chance as yet. However, he will discuss with Barnes and let us know as soon as possible concerning an investment firm which they have a connection with in New York.

Domestic Ops Washington:

I talked with Gale Allen concerning his project and he stated that he

201-253703

would discuss Tichborn with his PA who was scheduled to be in Washington on 7 July. Allen stated that he knew of Tichborn and had a fairly good grasp of his previous experience. I gave him a general outline of his education and experience on the phone -- Allen expressed a good deal of amazement concerning this sketch because apparently his principal pretty much followed the same educational and job experience trail as had Tich -- e.g. Harvard Law School, 48 or 49, private practice with small firm; intellectual leaning and ultimate connection with

1. Edward G. TICHBORN spent June 1 and 2 in the Headquarters area and departed the morning of 3 June for an overnight stop in Dallas before his return for Mexico City. Prior to his departure, TICHBORN was advanced \$100 which will be TAD to the Station for final accounting.

2. During his stopover here, he met with representatives of the Dominican Republic Desk as well as DYVOUR Staff and Mexico Branch personnel. In these debriefings we touched specifically on his activities in connection with the Dominican Republic election; his estimate of the outcome of this election; his plans for the future, particularly his departure from Mexico; the termination of LIREAM; and his proposal for the continuation of his relationship with KUBARK.

a. Dominican Republic Election:

Although TICHBORN painted a rather bleak picture of the possible results of the election, his comments concerning the situation pertaining at the time of his departure from the island contributed to Headquarters understanding of developments in the days immediately preceding the election and on the election day. The DYVOUR Staff representative and the Dominican Republic Branch representatives specifically commended TICHBORN for the excellent work he had done during his temporary assignment to the Dominican Republic in connection with this election operation.

b. TICHBORN Future:

We discussed TICHBORN's personal situation and desires for the future at some length. Although not being able to offer specific promises of long-term employment on his terms at this time, we advised him that the Agency would probably have recurring requirements, albeit relatively infrequent, for a man with his talents and experience. However, the limited requirement for such specialized activity in the DYVOUR area

We are still investigating the requirements in other Divisions for the type expertise offered by TICHBORN and, following receipt of his written proposal, we will be better able to come up with a definite decision concerning what form the TICHBORN/KUBARK relationship might take in the future. MEMO :

FROM : Tichborn

IN RE: Proposed activities in New York

1. Establish cover position:

Since much of my activity would involve travel to foreign countries, I should establish a position with some organization involved in international business. I would

2. Proposed activities:

- a) Continue election-aid trips such as Dominican Republic, Chile and San Salvador trips

Would strongly suggest, in view of my past experiences, that we approach these missions on broader range and in greater depth. Suggest the following:

- (1) One-week survey at least six months before election.
 - (2) Campaign work-shop with candidate and his campaign staff at some hide-away spot for period of ten (10) days. This would take place about four or five months before the election.
 - (3) First follow-up trip to check on progress of campaign, climaxed by two-day weekend meeting with candidate and his staff. This would be three months before election
 - (4) Spend final month of campaign on the spot, tying together loose ends and advising on closing phase of campaign
- b) Prepare a handbook for election campaigns similar to the one written by Larry O'Brien for Kennedy's campaign. Written in Spanish and specifically tailored for Latin America.
- c) Prepare an in-depth study of growing political unrest in Mexico, particularly analyzing the inner workings of PRI. Several recent incidents

(Madrazo's forced resignation from PRI; the run-away riots at the National University which compelled Chavez to resign; the increased number of paracaidista squatters on private lands; campesino revolts in Northern Mexico) indicate that the famed political stability of Mexico may be facing trouble soon. Needless to say, such an ominous possibility should be studied and analyzed in great depth. No Mexican political observer would dare produce a truly candid study for fear of political and governmental pressure, but I'm sure I can obtain the sub-rosa counsel and aid of Antonio Fenendez, a gifted and perceptive Mexican who wrote NOVILIZACION SOCIAL. Fenendez, who was a Lopez Mateos speech writer, is now director of public relations for the Instituto Nacional de Seguro Social and also head of the Consejo Nacional de Publicidad.

This long-range project would probably require about two years, taking into account my aforementioned political trips.

- d) Undertake such other quasi-political missions as may be required: possible back-up trip to Santo Domingo; surveys of student unrest in Spain, [redacted] Peru and elsewhere; mid-term surveys of political situations in Chile, Guatemala, [redacted] etc.

3. Budget Considerations:

- a) I would require a salary of \$20,000 per year, since I would have to forego any legal practice in order to be "on tap" and available on almost instant notice. In these past few years I have lost certain clients due to my sudden and prolonged absences for special trips to Chile, Argentina, [redacted] Santo Domingo, etc. I would therefore devote all my normal working time to the activities outlined in the foregoing paragraphs. But I would probably supplement my income by occasional articles and fiction, written on my own time.
- b) Office rental (if McKenna or X have office available) would be about \$200 per month, with services of a receptionist included.
- c) Costs of telephone: about \$240 per year.

d) Additional costs on Mexico project (paragraph 2 c)

1. Fee for Antonio Menendez, about \$2,500 payable in two installments.
2. Two trips to Mexico for consultations with Menendez as work progresses: plane fare would be \$256 per trip, plus about \$150 expenses for four or five days. Total for two trips would be about \$800.
3. Secretarial help, only part-time: about \$750 per year, for a total of \$1,500.
4. Tape recorder and tapes for two-year period: about \$200.
5. Costs of reference books and periodicals: about \$150.

Over-all total would be \$5,150

e) Costs of preparing election campaign handbook

1. Secretarial costs: about \$750
2. Translators' help with special terms for the different Latin American countries (they would have to read long lists of words or meet with me personally), about \$500.

S E C R E T

1. TICHBORN, 46, is bilingual and has a wide range of business and social contacts throughout Latin America. Following graduation from Harvard Law School in 1948, TICHBORN became affiliated with a law firm in Los Angeles which represented many Latin American corporations with California business connections. In the mid-1950's he became active in California state politics and served in various capacities in Democratic Party state and national organizations. He participated actively in the California gubernatorial campaign of James Roosevelt, the senatorial campaign of Helen Gahagan Douglas and both the 1952 and 1956 Stevenson campaigns for the Presidency. He has been President of the Southern California Young Democrats, a member of the California Democratic State Central Committee, a member of the Host Committee for the 1956 Democratic National Convention and a member of the Board of Directors of the National Democratic Minority Conference. In 1960 he served as Los Angeles coordinator of the Kennedy Movement for Americans of Mexican Extraction which, it is reported, contributed substantially to the success of the Kennedy campaign in Southern California. His only try for elective office was in 1958 when he was defeated in his bid for the position of California Secretary of State.

2. In late 1959, TICHBORN was hired by the Agency as a political action advisor for Agency sponsored election operations throughout Latin America. In 1961 he became a fulltime contract agent and was assigned to Mexico City, under personal cover, to establish a degree of security and mobility which would permit him to travel readily on third country political action assignments. Since the beginning of his relationship with the Agency, he has participated in Agency sponsored political operations in Cuba, El Salvador, Guatemala, Argentina, Chile and the Dominican Republic. He has just returned from the Dominican Republic where he participated in the Station operations which

The Station has described his role in the [redacted] operation as "....a vital aspect....at a critical moment in the operation...."; also "....Station knows few, if any, people who could have handled this assignment the way TICHBORN did."

3. TICHBORN has contributed stories, articles and interviews to a variety of United States publications. An interview by TICHBORN of Catherine Anne Porter, Pulitzer prize winner, appeared in a recent edition of Harpers and a TICHBORN essay concerning the cultural dichotomy under which Mexican Americans exist, will appear in an early edition of the American Heritage publication. He is working on a series of articles and a book on the population problem in Latin America and is considering a book on Mexican political institutions, particularly the Partido Revolucionario Institucional (PRI).

S E C R E T

S E C R E T

4. At present TICHBORN runs a Mexico Station funded left wing intellectual publication (LIREAM). His cover in Mexico is nominal and he attributes his presence and activities primarily to his connections in the legal field through his former partner's law firm and his own intellectual interests.

In Re: Necessity of moving from Mexico City

2. Depending upon their respective appeal to the company, I have been thinking of several projects that would substitute for my work with Dialogos:

- a) The preparation of a thorough in-depth study of PRI and Mexican politics, with projections as to the future. I would gather all my materials (interviews, literature, etc.) in a couple of months; then collate and analyze the materials in some U.S. university, discussing and analyzing same with local political science professors.
- b) The preparation of a similar study about the student revolutions now occurring or about to

break out in various parts of Latin America or Spain. The recent Univ. of Mexico riots would be my point of departure.

SINCE NEITHER OF THESE STUDIES WOULD TIE ME DOWN TO

A RIGID SCHEDULE, I WOULD BE ^{MORE} READILY AVAILABLE THAN

I AM NOW FOR ASSIGNMENTS SUCH AS THE SANTO DOMINGO CAPER.

2. My wife and I are considering two possible sites for our future home:

C. Cambridge, Massachusetts
is also a good possibi

ASSUMING THAT HEADQUARTERS WILL WANT TO DISCUSS THE ABOVE MATTERS WITH ME AT GREAT LENGTH AND IN PERSON, I PLAN TO GO TO WASHINGTON FROM SANTO DOMINGO ABOUT THE FIRST OF JUNE.

ACTION REQUIRED - REFERENCES

Ref: A. HMMA 27025, 26 August 1965

B. HMMW 14392, 10 March 1966

1. Project LICOLIC has been renewed for Fiscal Year 1966 in the amount of \$19,000 as requested. This approval was effective 2 March 1966.

2. As you are aware there has been a good deal of discussion here concerning TICHBORN's operational activities and how he might best contribute to the overall objectives of the Station. It was agreed during EDGEBROOK's visit here (See Ref B) that TICHBORN would be considered henceforth as a full time Station asset and attention would be given to gaining maximum value from his continued presence in Mexico. Within this context, however, it should also be noted that this Project was renewed for Fiscal Year 1966 with the condition that ". . . prior to the end of the current fiscal year (1966), adequate cover is found to afford TICHBORN not only the needed mobility and safeguards for his work in behalf of the Mexico Station, but also for his possible third country political action assignments. . .". In addition, the following recommendation was made in the event Project LIREAM should not be renewed (which should not really be considered at present since agreement was

reached to approve Project LIREAM also), ". . . If this turns out to be the case we would recommend that TICHBORN be reassigned to another area (suggest ZRMETAL) under the type of cover (e.g. JETUBA) which would offer him the needed mobility and protection for area-wide political action assignments . . .". Needless to say, although the latter point should be kept in mind as a last alternative in any decision regarding TICHBORN's continued relationship with this Agency, the Branch believes that the LIREAM publication has improved and has a good chance to gain acceptance and expand its influence throughout the hemisphere. This being the case, and as Station plans for expanding TICHBORN's activity within Mexico take form, we hope his contribution to KUBARK objectives in Mexico and throughout Latin America will become more substantial and recognized.

3. As a matter of information, Headquarters would appreciate TICHBORN preparing a summary of his present cover situation, particularly his appreciation of his present residence and work status in Mexico, and his estimate of what the future holds for him in this regard. Further, we would appreciate any indication the Station may have concerning TICHBORN's personal plans in regard to his continued residence in Mexico and his future relationship with KUBARK.
