ADMINISTRATIVE

This investigation was instituted upon receipt of information concerning subject's visit to the American Embassy, Mexico, D.F., on the evening of March 3, 1967, as related by **FRANCIS S. SHERRY, III** CIA Station, Mexico, D.F. With the exception of the interview on the morning of March 7, 1967, which was conducted by SA RUSSELL JEAN GRAY, JR., all interviews were conducted jointly by SA GRAY and **Mr. SHERRY**.

SHERRY advised that he was in direct communication with the CIA Station, Miami, Florida, concerning this case inasmuch as subject will probably return to Mexico and from there will be traveling to Cuba.

SHERRY advised that through their highly confidential sources the CIA is attempting to verify subject's arrivals and departures at the Cuban Embassy and such other information as they can confirm through sources.

The Mexico City Office, through appropriate informant, is checking subject's hotel record and attempting to obtain a list of his telephone calls.
