CONTEL 113.

Situation as of noon. Tshombe convoked Jean Back and Consuls to say UN opened fire on women advancing through road block and alleged one woman killed and 13 wounded. UN officers present at convocation as much as confirmed Tshombe's statement. Back agreed put Tshombe on radio with Gardiner as soon as possible. Should be remembered that according to CAS report, this march by Femmes Katangaises was planned last night and obviously coordinated with GOK.

Light firing continues in vicinity of road block.
