There is a paragraph within AFI 51-202 which specifies the Standard of Proof. On 31 Mar 15 AFI 51-202 was changed to indicate that Article 15s were not "advised" unless there was Proof Beyond a Reasonable Doubt. The prior version said "warranted" and had been used for over 35 years. Any change to an AFI will have some sort of rationale to support the change. This rationale may appear as a supporting document used in the staffing of the AFI, it may be in email text, or it may be in the comment section of the actual word document. 2016-00027-F	<p>During the so-called Lackland sex scandal, the press reported as many as 31 Military Training Instructors (MTIs) were prosecuted for offenses up to and including rape and sexual assault. However, the official Air Force Sexual Assault Court-Martial Summaries, 2010 – March 2015, includes only eight cases from this period. Furthermore, media reports are incomplete and often inaccurate in their depiction of these proceedings. Please provide a complete summary of all cases where the Air Force prosecuted current or former MTIs since June 2011. Include the name and rank of the defendant; the squadron to which the defendant was assigned at the time of the alleged incident(s); a synopsis of the case; the charges and specifications; the nature of the court-martial (general or special); the date of the Article 32 hearing, if applicable; the date(s) of the trial; the verdict on each count; and the adjudged sentence. 2016-00028-F	<p>During the so-called Lackland sex scandal, the press reported as many as 35 Military Training Instructors (MTIs) were under investigation for offenses up to and including rape and sexual assault. However, not all of these cases ultimately went to trial, and the rest presumably resulted in nonjudicial punishment, or were disposed of through administrative action. Please provide a complete summary of all cases where current or former MTIs received nonjudicial punishment at JBSA-Lackland since June 2011. Include the rank of the defendant; the squadron to which the defendant was assigned at the time of the alleged incident(s); a synopsis of the case; the charges and specifications; the date NJP was served; the date of the commander's decision; and the resulting punishment, such as loss of grade or forfeiture of pay.
