## FBI FOIPA Addendum

As referenced in our letter responding to your Freedom of Information/Privacy Acts (FOIPA) request, the FBI FOIPA Addendum includes information applicable to your request. Part 1 of the Addendum includes standard responses that apply to all requests. Part 2 includes additional standard responses that apply to all requests for records on individuals. Part 3 includes general information about FBI records. For questions regarding Parts 1, 2, or 3, visit the [www.fbi.gov/foia](http://www.fbi.gov/foia) website under “Contact Us.” Previously mentioned appeal and dispute resolution services are also available at the web address.

### Part 1: The standard responses below apply to all requests:

- (i) **5 U.S.C. § 552(c).** Congress excluded three categories of law enforcement and national security records from the requirements of the FOIA [5 U.S.C. § 552(c) (2006 & Supp. IV (2010))]. FBI responses are limited to those records subject to the requirements of the FOIA. Additional information about the FBI and the FOIPA can be found on the [www.fbi.gov/foia](http://www.fbi.gov/foia) website.
- (ii) **National Security/Intelligence Records.** The FBI can neither confirm nor deny the existence of national security and foreign intelligence records pursuant to FOIA exemptions (b)(1), (b)(3), and PA exemption (j)(2) as applicable to requests for records about individuals [5 U.S.C. §§ 552/552a (b)(1), (b)(3), and (j)(2); 50 U.S.C § 3024(i)(1)]. The mere acknowledgment of the existence or nonexistence of such records is itself a classified fact protected by FOIA exemption (b)(1) and/or would reveal intelligence sources, methods, or activities protected by exemption (b)(3) [50 USC § 3024(i)(1)]. This is a standard response and should not be read to indicate that national security or foreign intelligence records do or do not exist.

### Part 2: The standard responses below apply to all requests for records on individuals:

- (i) **Requests for Records about any Individual—Watch Lists.** The FBI can neither confirm nor deny the existence of any individual’s name on a watch list pursuant to FOIA exemption (b)(7)(E) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(7)(E), (j)(2)]. This is a standard response and should not be read to indicate that watch list records do or do not exist.
- (ii) **Requests for Records for Incarcerated Individuals.** The FBI can neither confirm nor deny the existence of records which could reasonably be expected to endanger the life or physical safety of any incarcerated individual pursuant to FOIA exemptions (b)(7)(E), (b)(7)(F), and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(7)(E), (b)(7)(F), and (j)(2)]. This is a standard response and should not be read to indicate that such records do or do not exist.

### Part 3: General Information:

- (i) **Record Searches.** The Record/Information Dissemination Section (RIDS) searches for reasonably described records by searching those systems or locations where responsive records would reasonably be found. Most requests are satisfied by searching the Central Records System (CRS), an extensive system of records consisting of applicant, investigative, intelligence, personnel, administrative, and general files compiled and maintained by the FBI in the course of fulfilling its dual law enforcement and intelligence mission as well as the performance of agency administrative and personnel functions. The CRS spans the entire FBI organization and encompasses the records of FBI Headquarters (FBIHQ), FBI Field Offices, and FBI Legal Attaché Offices (Legats) worldwide. A CRS search includes Electronic Surveillance (ELSUR) records.
- (ii) **FBI Records.** Founded in 1908, the FBI carries out a dual law enforcement and national security mission. As part of this dual mission, the FBI creates and maintains records on various subjects; however, the FBI does not maintain records on every person, subject, or entity.
- (iii) **Requests for Criminal History Records or Rap Sheets.** The Criminal Justice Information Services (CJIS) Division provides Identity History Summary Checks – often referred to as a criminal history record or rap sheets. These criminal history records are not the same as material in an investigative “FBI file.” An Identity History Summary Check is a listing of information taken from fingerprint cards and documents submitted to the FBI in connection with arrests, federal employment, naturalization, or military service. For a fee, individuals can request a copy of their Identity History Summary Check. Forms and directions can be accessed at [www.fbi.gov/about-us/cjis/identity-history-summary-checks](http://www.fbi.gov/about-us/cjis/identity-history-summary-checks). Additionally, requests can be submitted electronically at [www.edo.cjis.gov](http://www.edo.cjis.gov). For additional information, please contact CJIS directly at (304) 625-5590.
- (iv) **The National Name Check Program (NNCP).** The mission of NNCP is to analyze and report information in response to name check requests received from federal agencies, for the purpose of protecting the United States from foreign and domestic threats to national security. Please be advised that this is a service provided to other federal agencies. Private citizens cannot request a name check.

RE: STANTON FRIEDMAN

1969: McDonald Douglas Astronautics, Santa Monica, California.

1969-May, 1970: TRW Systems, Redondo Beach, California.

1970-1978: Self-employed.

~~NOTE~~ It should be noted, that subject had clearance renewals roughly around the years 1961 and 1966.

Subject's social security number is 137-26-4305.

At the time that Friedman made this request, the letter-head of his stationary read 31628 Trevor Avenue, Hayward, California, 94544, phone number (415) 471-0160.

Bureau indices also reveal that FRIEDMAN, on February 27, 1984, contacted the Chief of Freedom of Information Privacy Acts (FOIPA) Section, Records Management Division of the FBI and requested information regarding weekly intelligence conferences with the Air Force and related items. He also requested material dealing with a proposed study of flying saucers. At the time FRIEDMAN made this request, he provided specific file numbers of FBIHQ files in which this information was contained. It is not known how FRIEDMAN obtained these file numbers.

On February 20, 1985, the following agencies were requested to review pertinent data re FRIEDMAN's request and return the material as excised, citing the proper exemptions claimed, where appropriate, for release to FRIEDMAN: The Naval Investigative Service (NIS), the United States Army Intelligence and Security Command, and the Office of Special Investigations, Department of the Air Force.

Approximately one month ago, the information regarding FRIEDMAN's request was released to him. However, the context of that information has not yet been reviewed by this office. Boston will be advised of same when it becomes possible to do so.

NOTE:

This provides BS with results of Bureau indices search.

1969: McDonald Douglas Astronautics, Santa Monica, California.

1969-May, 1970: TRW Systems, Redondo Beach, California.

1970-1978: Self-employed.

It should be noted, that subject had clearance renewals roughly around the years 1961 and 1966.

Subject's social security number is 137-26-4305.

At the time that Friedman made this request, the letterhead of his stationary read 31628 Trevor Avenue, Hayward, California, 94544, phone number (415) 471-0160.

Bureau indices also reveal that FRIEDMAN, on February 27, 1984, contacted the Chief of Freedom of Information Privacy Acts (FOIPA) Section, Records Management Division of the FBI and requested information regarding weekly intelligence conferences with the Air Force and related items. He also requested material dealing with a proposed study of flying saucers. At the time FRIEDMAN made this request, he provided specific file numbers of FBIHQ files in which this information was contained. It is not known how FRIEDMAN obtained these file numbers.

On February 20, 1985, the following agencies were requested to review pertinent data re FRIEDMAN's request and return the material as excised, citing the proper exemptions claimed, where appropriate, for release to FRIEDMAN: The Naval Investigative Service (NIS), the United States Army Intelligence and Security Command, and the Office of Special Investigations, Department of the Air Force.

Approximately one month ago, the information regarding FRIEDMAN's request was released to him. However, the context of that information has not yet been reviewed by this office. Boston will be advised of same when it becomes possible to do so.
