While the above references reported that subject was examined by [REDACTED] on 8 November 1954, the other units reports and [REDACTED] indicate varying opinions on the process and the results of this examination. Headquarters would like to receive as soon as possible a full and detailed report on the [REDACTED] examination, indicating the procedures used and exactly what questions were asked subject and his responses.

2. [REDACTED] requested your views re the use of AMMONIA in the [REDACTED] interrogation. It was not to be construed as authority to use the technique. Headquarters approval is still required prior to the use of AMMONIA in any instance.
