Referencest Diary Rems, same subject, dated 10, 15 and 17 Lurch THE THE PERSON OF THE PERSON O 1. 00 29 Earch, had us read a lengthy personned to the Director of the Security Office. That us read a lengthy memorandum to the Direct of Security, which outlined the background of the history, incofar as it is known, of the use of the isolation technique, both in \_\_\_\_\_\_ and in the US. The latter part of the management raye the questions posed by and enhad already read and concurred in the remorandum. It was an excellent No recommendations were included in the memorandum. However, the process of drafting a recommendation to the effect that Dr. his clinical psychologist and medical secretary, be placed on a contract basis to carry on experiments in this field, after they have been cleared for Top Secret, stated that he had taken a copy of the zerorandon to who is now assistant to DD/P for affairs, in turn, had passed the memorandum to who is a member of the Staff, but who works for on special projects. Thile we were in the office. called to advise that he had just finished reading personalize to the Director of Security, and thought it of paramount importance for the Agency to act quickly. I also mentioned that Dr. had been brought in on the picture, probably by Dr. felt that a meeting should be called soom of the interested components of CIA, so that an Igency position could be adopted.

was still very reluctant to bring TSS into the picture, at least at this time.

is leaving next week for a five-day trip through the

He hopes
that, prior to his departure, he will be able to report some progress in coordinating this project internally Index
