MEMORANDUM FOR THE RECORD

1. On 2 May 1972, [redacted] and the undersigned visited the U.S. Secret Service Bureau, Intelligence Division, Room 812, 1800 G Street, N.W., Washington, D.C.
2. The call was in response to a longstanding invitation made by [redacted] current liaison officer and member of the Secret Service, Intelligence Division, with whom this office has officially exchanged information for several years. The purpose of the visit was to familiarize ourselves with the Secret Service operation and to determine how it can best serve our function.
3. Pat and I were briefed by [redacted] the Chief of the Subversive Section and [redacted] Chief of the Liaison Section. Secret Service officials are aware that the limited activities of this office are designed only to enhance Mr. Osborn's capacity to protect the personnel and facilities of the Agency domestically.
4. The briefings and discussions were most informative and beneficial. [redacted] and [redacted] expressed a willingness to assist us in anyway they can. As a result of this visitation, I believe we have strengthened our liaison with a valuable contact and have established an open channel to any pertinent information we may require in the future.
