Dear 

I have your letter of July 17 regarding our conference this year which Russell Targ has mentioned to you.

Although the conference room is rather small, we shall be glad to keep a seat for you so that you may attend as an observer. I note that you will be able to take care of your own expenses. I might mention that we do not have any arrangements with the hotel to set aside extra accommodations outside of those we need for the participants, so that you would have to make your own arrangements.

The meetings will take place on Monday, August 26 and Tuesday, August 27 at the Hotel La Reserve, Geneva, Switzerland. (Geneva, not Zurich.) They will start at 9:00 a.m. and end around 5:30/6:00 p.m. on both days, with a two hour period for lunch. Ten participants have been invited to present papers addressed to the theme of Quantum Physics and Parapsychology, and discussions will follow each paper. We will send you a program as soon as it is ready in a week or two.

We shall look forward to meeting you.

Yours sincerely,

(Mrs.) Eileen Coly
President
