VORWORT

Die Kommission zur Herausgabe des Corpus der lateinischen Kirchenväter bei der Österreichischen Akademie der Wissenschaften hat aus dem Nachlaß ihres langjährigen Mitarbeiters und Ambrosius-Forschers Otto FALLER († 16. Mai 1971) eine Kartei mit Exzerpten aus den Schriften des Ambrosius übernommen. Von Faller und seinen Hilfskräften angelegt, sollte sie die Materialsammlung für ein später zu erstellendes Ambrosius-Lexikon abgeben. Der etwa 400.000 Belege umfassenden Kartei liegen die Textausgaben des CSEL bzw., wo solche noch nicht vorhanden sind, die von Migne's Patrologia Latina zugrunde. Um der Fachwelt wenigstens eine Kenntnis des in den Zettelkästen gespeicherten Wortschatzes des Kirchenvaters zu vermitteln, wurde (nach Revision bzw. Neuordnung der Bestände und nach Einarbeitung der fehlenden Hymnen sowie der Schrift „*Explanatio symboli*“) von mir ein Verzeichnis der Stichwörter angelegt, unter Berücksichtigung wichtiger neuerer Editionen („*De officiis*“ von Krabinger-Banterle in der Biblioteca Ambrosiana; A. S. Walpole's „*Early Latin Hymns*“; „*De virginitate*“ und „*De virginibus*“ von E. Cazzaniga im Corpus Paravianum; für die noch nicht edierten Bücher der Briefsammlung konnten die Fahnen bzw. das Manuskript der demnächst im CSEL erscheinenden Ausgabe von Faller-Zelzer eingesehen werden). Das derart entstandene ca. 11.000 Stichwörter umfassende Verzeichnis versteht sich als Vorarbeit für ein projektiertes LEXICON AMBROSIANUM. Auf Angabe der Fundstellen mußte verzichtet werden, doch steht das Material für entsprechende Anfragen zur Verfügung (p. A. Österreichische Akademie der Wissenschaften, Kirchenväter-Kommission, A-1010 Wien, Postgasse 7/1/II). Die mit dem Zeichen + versehenen Stichwörter scheinen nur einmal in der Kartei auf. Die leidige Frage, ob die nebeneinander auftretenden nichtassimilierten und assimilierten Formen gesondert oder assimiliert anzuführen seien, wurde im letzteren Sinne entschieden. Besonderen Dank für wertvolle Ratschläge und Hinweise schulde ich dem Obmann der Kirchenväter-Kommission Univ.-Prof. Dr. Rudolf Hanslik, Frau Dr. Michaela Zelzer sowie den Bearbeitern am LEXICON AUGUSTINIANUM, Dr. Werner Hensellek und Dr. Peter Schilling.
